

Milaca Township
Road Review Meeting Minutes
Thursday, May 26, 2022 @ 5:00pm

Board Members: Rob Droogsma (chairman and road manager), Harold Bauer (supervisor), and Shane Marudas (supervisor) and Sadie Ash (clerk) were in attendance for the road review.

Call to Order: Chair & Road Manager Rob Droogsma, called the Road Review meeting to order at 5:00pm.

170th west of townhall:

- Not bad right @ hall
- Moving west, needs some gravel; will gravel the 2nd half of 170th (160th N off of 170th)- from this point onwards

150th Ave – S of 170th:

- Needs gravel
- Need to work on cutting the shoulders

195th Ave NE – S off of 170th:

- Milaca Township's year to maintain (even years) – border w/Granite Ledge Township
- Road in decent condition

160th Ave N of 170th St:

- 1st mile (south end) needs gravel
- Pretty much all of the road needs gravel
- Large frost boil on the north end (N of 170th St)
- All of N 160th Ave needs gravel (both 1 mile strips)

140th Ave S of 190th St (dead end):

- Road is just fine; good gravel

185th St off Cty Rd 18 West:

- West end does not need gravel
- Cul-de-sac could use some work

185th St E of Cty Rd 18:

- Graveled the W/E road last year
- East portion of the road (straight downhill) – probably should add some gravel to the hill

125th Ave

- Needs gravel

135th Ave S off of 180th St (dead end):

- Good/no gravel needed

140th Ave S off of 180th St:

- Spotty gravel needs
- Likely will need to gravel most of the road, but lightly

170th cul-de-sac – 136th Avenue:

- Will gravel

140th Ave S off of 170th St:

- To gravel – does not need a lot, but some

140th Ave S off of 160th St:

- To gravel – does not need a lot, but some

155th St E off 140th Ave:

- Needs to be graveled

150th St off of 140th Ave:

- Will get graveled
- A lot needed @ the end of the road (chicken barn road)

135th Ave off of 140th St:

- Some gravel needed S to 23

Golden Road S of 23:

- Ditches need some attention – need to figure out what we want to do w/them
- Possibly gravel depending on where we are at with yardage

130th Ave S off of 23:

- Graveled in 2020
- Ledge needs to be cut

133rd St:

- Township does not do much to this road
-

130th St off Cty Rd 5:

- 30' 18" culvert – needs to be replaced
 - Eroded after significant rainfalls
- Shared road with Milo Township
- Sadie to reach out to Milo to determine action plan for repairs
 - Cost share w/Milo?

SW River Drive:

- Is this the township's road? Or the City's?
- Needs a lot of work (tar portion of the road)

120th Ave:

- Not in bad shape, but could use some gravel

Gem Street:

- Needs a little gravel at the entrance

130th St off of Central Ave:

- Needs gravel - @ least 1 load
- Ditches full of water & very steep

Airport Road:

- No gravel to place this year; county grading this year

165th St off 117th Ave:

- Need a load at the end (in cul-da-sac)
- Hill looks good
- A little gravel @ the east end of the road is needed

180th St West of 169:

- Needs gravel (didn't place any in 2020 or 2021)

180th St East of 169:

- Milaca Iron & Metal road
- Gravel looks good
- Dave needs to cut the edges

110th Ave – N part of it – Borgholm handles maintenance

160th St:

- Needs gravel & needs to be cut deeper

162nd Ave:

- Haul road – needs gravel

Rivers Edge Dr:

- Will gravel; not done in the last 2 years

Big Eddy:

- 2 cul-de-sacs need to move mailboxes

- May be good to put some gravel along the sides of the paved road, too

125th Ave N of 160th:

- Gravel needed

160th Ave S off of 160th St:

- Dave to cut edges
- Gravel should be sufficient, though

150th Ave S off of 160th:

- Gravel placed in 2021
- North end to gravel & south end to gravel as well
- Rob noted significant issues with drifting on the south portion of this road last year

150th St E of 150th Ave:

- Will gravel east half; west half is good

S End of 150th Ave:

- Will place gravel

145th E of 150th Ave:

- Some gravel needed

145th St (little shoot):

- Good/no gravel needed

165th Ave off S of 140th St:

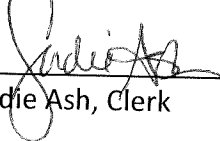

- Cart path? Resident claims we have been maintaining. Need to figure out if a cart path

135th St E off of 160th Ave:

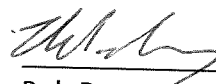

- West half of road looks good
- East half needs gravel
- Rob brush mowed in the ditch – however, a lot of trees in the ditch. A lot of work needed

Meeting adjourned at approximately 7:30pm.

Submitted Respectively By,

Sadie Ash, Clerk

Approved:

Rob Droogsma, Chairman and Road Manager
