What is a Comprehensive Plan?

A Comprehensive Plan is the input of the County's residents on a variety of topics that will be used by the County (Board of Commissioners, Planning Commission, etc.) to help guide them in making decisions for the future direction of the County.

What will be covered in the Comprehensive Plan?

- Economic Development
- Public Safety
- Environment & Energy
- Recreation & Tourism
- Quality of Life & Social Programs
- Land Use
- Transportation
- Intergovernmental Relations
