The County rate, together with your township or city, your school district, and the Region 7E rates gives the total Tax Capacity Rate for your taxes. The State rate is also applicable for most commercial & seasonal properties. Market Value Referendum Taxes have also been levied by school districts, and rates are listed separately. Homestead Market Value Exclusion must be calculated and deducted for Hstd property and the house, garage & 1 acre of Ag Hstd property at a rate of 40% of taxable market value up to a maximum exclusion for 2020 of \$30,400, then reduced by 9% of taxable market value in excess of \$76,000. Agricultural Credit must also be calculated and deducted for Ag Hstd property (excluding the house, garage & 1 acre) at a rate of .30% of the first \$115,000 of the property's ag credit market value, plus 0.1% of the property's ag credit market value in excess of \$115,000, subject to a maximum credit for 2020 of \$490. Real Estate taxes of over \$100.00 may be paid in halves. The first half is due on May 15th with the second half being due on October 15th, unless Ag classified, where the second half is due on November 15th. Real Estate taxes become delinquent on January 2nd of the following year. Personal Property Taxes are due on May 15th. Manufactured Home taxes of over \$100.00 may be paid in halves with the first half being due August 15th and the second half being due on November 15th.
